

3rd Annual Conference

March 27, 2009

**Clayton State
University
Morrow, GA**

**Conference cost:
\$50 per attendee for
member institutions
\$60 for non-members**

While the cost has been reduced, the conference quality has not! This year's conference will be filled with informative sessions which attendees will find particularly beneficial as we navigate through such challenging issues as reductions in force, performance management and motivating employees.

Conference registration is now open. [Register now!](#)
