

Be a Heart Walk Team Captain!!

Emory University is looking for team captains who will recruit 10-15 walkers to participate in this fun and important event.

Help us continue to strengthen the partnership between Emory and the American Heart Association:

- Emory Healthcare partners annually with AHA to raise critical dollars for the research of heart disease and stroke through the annual Heart Walk.
- Emory Healthcare proudly sponsors My Heart, My Life—a national movement increasing awareness and prevention of heart disease.
- Emory Healthcare is the Top Fund-Raising Company in Metro Atlanta—raising \$270,000 in 2011.
- Emory has been recognized as a fit-friendly company by the American Heart Association (AHA) for the past 4 years, the last 3 being Platinum designation.

For walkers:

- There is no fee to register. Each walker is encouraged to raise \$150, but if you don't reach your goal, you'll still be able to join in the fun! AHA provides email, Facebook and Twitter tools to make it fun and easy.
- You can earn a t-shirt just by sending out 15 emails from your webpage.
