EMPLOYEE ALGORITHM for C-19 Return to Work/Campus

Tested positive for COVID-19

- Office of Injury Management (OIM) will provide daily management
- OIM will assess your readiness to return to work/campus
- OIM will clear you to return to work/campus

Symptomatic and tested negative for COVID-19

- Ready to return to work/campus when:
- Fever free 24 hours (without fever reducing medicine)
- **And** substantial improvement of other symptoms, e.g., minor cough and no congestion

Symptomatic and no test administered

- Ready to return to work/campus when:
- 7 days have passed from date of symptom onset
- **And** 72 hours fever free without fever reducing medicine
- **And** substantial improvement of symptoms, e.g., minor cough and no congestion

You must be cleared by OIM ([404-686-8587](tel:404-686-8587)) to return to work. OIM will monitor employees remotely.

**Call the COVID-19 info line for support:
404-712-6843**

Work with your leader to determine readiness to return to work.

You do not need to be cleared by OIM to return to work/campus.
