- OIM will provide daily management
- OIM will assess your readiness to return to work
- OIM will clear you to return to work

**Symptomatic and has tested negative for COVID-19**
- Ready to return to work when:
  - Fever free 24 hours (without fever reducing agent)
  - **And** substantial improvement of other symptoms, e.g., minor cough and no congestion

**Symptomatic and no test administered**
- Ready to return to work when:
  - 7 days have passed from date of symptom onset
  - **And** 72 hours afebrile without fever reducing agents
  - **And** substantial improvement of symptoms, e.g., minor cough and no congestion

**You must be cleared by OIM to return to work.**

Call the COVID-19 info line for support: 404-712-6843

Work with your leader to determine readiness to return to work.
You do **not** need to be cleared by OIM to return to work.
