Aspiring Leaders at Emory Nomination Packet

Deadline: Monday, February 8, 2021, 5:00 pm
Program Overview

The Aspiring Leaders at Emory program is designed to provide development for Emory’s individual contributors who have been identified as high potential and who are being considered for a transition into a people manager role. This program is also appropriate for faculty and principal investigators.

Program Design
This program is designed to allow participants to develop and enhance skills within a cohort group of up to 25 participants representing different departments across the university. The cohort design allows participants to interact with their colleagues from different parts of the university. It is the goal of the program to create a community of learning where participants can build professional relationships and make a meaningful contribution to their careers. The curriculum is designed to build skills in competencies that are needed to lead and manage others. Lastly, participants will also be required to complete AND present a detailed development plan to be eligible for graduation.

Eligible Candidates
Any full-time employee of Emory University that is currently in an individual contributor position. This employee must be considered high potential and expected to move into a position managing people within two years. To identify high potential, leaders should consider their staff regarding their performance and potential.

Performance is measured by the current performance management process which incorporates Emory’s current performance competencies.

Potential is measured by considering the following dimensions:
1. Motivation to lead, including bringing out the best in others
2. Personal development interest, including receptivity to feedback
3. Adaptability and the ability to deal with complexity and ambiguity
4. Ability to communicate effectively
5. Resilience in the face of obstacles and stress
6. Future contributions to Emory

Nomination Process
Candidates must be nominated for the program and selected to attend. Nominations must be submitted by director-level or above, departmental leaders or the department chair. If the candidate’s direct supervisor is at the director level, then the next level of leadership must submit the nomination.

Participant Selection
All applicants will be notified via email by Friday, February 26, 2021 regarding the status of their application. A selection committee will review nomination packets and select participants for the program based on the responses to the nomination questions, the high potential status of the nominee, and other criteria identified by Learning & OD leaders.

Candidates are required to reserve the dates listed on the Program-at-a-Glance (see page 5) in anticipation of their acceptance to the program.

Supervisors are encouraged to reserve Tuesday, March 9, 2021 for the Supervisor’s Orientation from 10:00 am — 11:30 am via Zoom (Zoom details will be provided after acceptance).

Program Cost: The cost for the department for each participant is $700.
Participation Guidelines

The purpose of Learning & Organizational Development programs is to provide participants with an opportunity for growth and development. Given the investment of time and resources, it is important that participants are committed to attending all the program sessions.

Attendance is mandatory
The Program-at-a-Glance is provided in this application packet. Interested candidates should plan regular work-related commitments, professional conferences and vacations in advance, so that they do not conflict with program dates. If a participant misses a class, the program coordinator will contact the participant, their supervisor and the Associate Director of Learning and Development. Participants are NOT allowed to miss the first kickoff session. If the participant is unable to attend the kickoff session, their participation will be deferred to the next cohort.

Extenuating Circumstances
In the event of illness, loss of a loved one or unexpected workplace emergency, the participant will inform the program coordinator that she or he will not be able to attend the session. The program coordinator will assist the participant in making up the session, which may include attending an upcoming session.

Inclement Weather
In the event of inclement weather, participants should follow the University guidelines for closings and delays. Safety is paramount and should a class need to be rescheduled, we will seek your support in adjusting calendars.

Unexcused Absences
Examples of unexcused absences include meetings, vendor meetings, conference calls, conference attendance or vacation days. The participant will be responsible for making up the session. If available, the participant may attend another upcoming session. The participant’s department will be responsible for any additional fees associated with makeup class.

If a participant misses one class and has not made up the class prior to the published graduation date for that cohort group, the participant will be allowed to join the next available cohort and graduate with the new cohort group. Program fees will not be refunded as course materials are acquired in advance.

Graduation Requirements
Participants will be eligible for graduation in 2021 by completing following requirements:

1. Attendance in classes
2. Submission of a completed development plan
3. Presentation of the development plan on Thursday, September 30, 2021

If the participant is unable to meet these requirements, they will be invited to participate in the next graduation ceremony once all requirements are met.
## Program-at-a-Glance

*Once selected, attendance will be required.* Please review the following dates prior to submitting your application to ensure your availability. All the scheduled sessions will take place via Zoom until the University returns to normal operations. Your Program Manager will provide the Zoom details before each session. All sessions will include 2 breaks and a one-hour lunch break.
