Essentials of Leadership at Emory Application Packet

Deadline: Friday, May 3, 2019, 5:00 pm
Program Overview

The goals of the Essentials of Leadership Program at Emory are to provide people managers with opportunities to gain skills and enhance those assets that support Emory’s strategic vision as well as those of their department.

Program Design
This program is designed to allow leaders to develop and enhance skills within a cohort group of up to 25 participants. By creating a shared experience, participants have the opportunity to build relationships with colleagues from different departments and divisions. This peer interaction strengthens the learning experience, promotes networking and increases the retention of the participants in the program. Participants will also complete a capstone project. This short-term project allows participants to apply concepts learned in the program to address relevant, timely issues that enhance productivity and/or strengthen leadership skills.

Ideal Candidates
Individuals who have been hired or recently promoted to a people management role (e.g., supervisors, current managers, assistant/associate directors, or directors). It is also ideal for those who have experience in a people manager role, but have not had formal management training. The program is also appropriate for faculty and principal investigators that supervise people.

Program Curriculum
Participants will be selected to attend engaging, interactive sessions and explore three key themes including:

- **Leadership Development**
  Explore leadership styles, ethics, and managing people and resources.

- **Building and Managing Relationships**
  Develop relationships with direct reports, peers and senior leadership. Additional topics include building and leading diverse teams and managing conflicts.

- **Strategic Planning**
  Lead and manage change within your department, and negotiate for resources.
Participant Selection

All applicants will be notified via email by **Monday, May 20, 2019** regarding the status of their application. Participants will be selected based on their stated goals, departmental representation and supervisor’s recommendation. Candidates are required to reserve the dates listed on the Program-at-a-Glance (see page 6) in anticipation of their acceptance to the program.

Supervisors are encouraged to reserve Monday, June 3, 2019 for the Supervisor’s Orientation from 10:00 am -11:00 am at 1599 Clifton Road, Room 1.432.

Program Cost

The cost for the department for each participant is **$1200**.
Participation Guidelines

The purpose of Learning and Organizational Development programs is to provide participants with an opportunity for growth and development. Given the investment of time and resources, it is important that participants are committed to attending all the program sessions.

**Attendance is mandatory**
The Program-at-a-Glance is provided in this application packet. Interested candidates should plan regular work-related commitments, professional conferences and vacations in advance, so that they do not conflict with program dates. If a participant misses a class, the program coordinator will contact the participant, their supervisor and the Director of Learning and Development. **Participants are NOT allowed to miss the first kickoff session. If the participant is unable to attend the kickoff session, their participation will be deferred to the next cohort.**

**Extenuating Circumstances**
In the event of illness, loss of a loved one or unexpected workplace emergency, the participant will inform the program coordinator that she or he will not be able to attend the session. The program coordinator will assist the participant in making up the session, which may include attending an upcoming session.

**Inclement Weather**
In the event of inclement weather, participants should follow the University guidelines for closings and delays. Safety is paramount and should a class need to be rescheduled, we will seek your support in adjusting calendars.

**Unexcused Absences**
Examples of unexcused absences include meetings, vendor meetings, conference calls, conference attendance or vacation days. The participant will be responsible for making up the session(s). If available, the participant may complete the class online or attend another upcoming session. The participant’s department will be responsible for any additional fees associated with makeup classes.

If a participant misses **one class** and has not made up the class prior to the published graduation date for that cohort group, the participant will be allowed to join the next available cohort and graduate.
with the new cohort group. **Program fees will not be refunded as course materials are acquired in advance.**

**Graduation Requirements**
Participants will be eligible for graduation in 2020 by completing following requirements:

1. Attendance in classes
2. Completing all required program assessments
3. Submission and approval of the Capstone Project Plan
4. Presenting their Capstone Project on Tuesday, **January 7, 2020**

   If the participant is unable to meet these requirements, they will be invited to participate in the next graduation ceremony once all requirements are met.
# Program-at-a-Glance

**Once selected, attendance will be required.** Please review the following dates prior to submitting your application to ensure your availability. With the exception of the graduation, all of the sessions will take place in the Learning & Organizational Development classroom located at 1599 Clifton Road, 1st Floor, Room 1.432. Please note that the topics are subject to change.
