

# Request for Ergonomic Evaluation

## Individualized Work Station Evaluation (IWSE)

Individualized Work Station Evaluations are offered for a fee (\$125) to all Emory Healthcare and Emory University faculty and staff. This must be requested by an approved manager/supervisor. An Individualized Work Station Evaluation is 60 minutes in length and may include some, but not necessarily all, of the following:

- An initial consultation with leadership
- On-site evaluation of work station set-up and body mechanics of employee
- On-site recommendations for adjustments work station and/or employee body mechanics
- Preparation of results and proposed ergonomic interventions (written format)
- Referral to appropriate office(s) for assistance, if necessary
- Follow-up phases with leadership
