## ENDEAVOR SCHOOLS LEARNING LAB PROGRAMS

A safe and supervised on-campus experience for remote learning elementary students who come from city and county public schools. Parents returning to work will have peace of mind knowing their child is able to complete their studies and interact with peers, while following CDC guidelines. **Endeavor Schools Learning Lab Programs** ensures a child's safety, educational and social well-being are priority.

## ON-CAMPUS BENEFITS

Every child deserves the benefits of a school experience with both peers and caring adults. Endeavor Schools Learning Lab Programs make these essential childhood learning experiences possible.

- Social interaction with other students under social distancing guidelines
- Education specials normally not included in remote learning programs, such as music, art, and physical education
- Social and emotional development with trained, professional educators
- Opportunities to move, explore and play outdoors
- Nutritious lunch offerings (availability based on location)

## OUR SAFETY PROTOCOLS

With a safety and sanitation plan developed in conjunction with the CDC and Johns Hopkins University, we have fully implemented the strictest health protocols to safeguard students and staff from the coronavirus. This includes:

- Mask usage according to CDC guidelines
- Social distancing throughout campus
- Constant cleaning and sanitation, especially on high-touch areas
- Professional deep cleaning each night
- Daily health screenings and temperature checks prior to admittance in to the building
- Consistent classroom community daily
- Improved HVAC units for maximum air quality
